## TRAVELERS MEET PEACE IN SIGHT

Allen Weakening in Efforts to Shove Smith and Seaton on Southern League-Locals Home Until July 5.

BY AL WILSON.

It's all set, boys. When they think of the clinkle of silver and the crinkle of silver and the crinkle of bank notes most anything is likely to happen. At any rate the Memphis and Little Rock Sunday series which estends back to a time when the memory of a man runneth not to the contrary will be uninterfered with. As per schedule the Chicks and Travelers get together here Sunday afternoon.

Neither casey! Smith nor Tem Seaton Will grace themselves in uniform at Russwood though. But Allen capitulated Friday night. He wired "House Cabot" Wilkins so and in consequence the boys will hear the merry lingle of the coin despite all sorts of poseibilities that loomed large as a result of the controversy charlie Frails started.

Friday, Watkins, keeping within his It's all set, boys. When they

Friday, Watkins, keeping within his reservations as relative to noniassociation with Little Rock so long as Smill and Seaton participated in games, wired an ultimatum to Alen A telephone conversation with Etherfeld followed in which an agreement not to parade the two formor Pacific seast twifers was reached. Allen later confirmed the Little Rock "concession."

A little bird has whispered that Senator Watkins had given thought of bringing the league leading Barons here for an exhibition at Russwood Sunday. Possibly such a step obtruded biself on Bob Allen's find. Give up a fat chunk of Sunday dough in Memphis." Not Bob Allen's owell see you out on Madison avenue tomorrow afternoon at 2:30.

Bob Allen. So we'll see you ou on Madison avenue tomorrow afternoon at 3:30.

It is evident that the Little Rock management is weakening somewhal in their stand. Peace is in the offing and quite likely Monday's conference of the Southern directors here will bring about a settlement. Allen showed the first signs of a come-down Friday night when he and Eiberfeid agreed not to have Smith or Seaton in uniformity of the control of the Southern of Seaton in uniformity of the Crackers and Travelers step through a double header in Atlanta Saturday. Friday's time of starting found the Atlanta park locked and the game was rung up by umpires as "not played" another little discussion to he settled here Monday by the league fathers. Some trouble is scented in the stand taken by "Scrappy" Moore. Traveler third baseman, in declaring he will jump if Seaton and Smith are not permitted to play. Others who shood with Moore at first are said to have been mollified. New Orleans players are reported to have been broached on the question of a sympathy strike. One can easily read between the lines and see from where such suggestions emanated. Heinemann is quoting as saying that Little Rock can look for no support from his club that he is coming to the directors meeting loaded for bear.

Allen is pretty sure to put up some sort of a row before settlement is reached. Mention has been made of court proceedings. However, the league constitution is very plain on the point of rights as directed by a majority directoral vote. Looks now like Allen to destined to be thrown to the woives as the political writers say. Of course, he has right of court action in come-back.

After the Little Rock setto Sunday there was the believe of court action in come-back.

After the Little Bock setto Sunday the Atlantas come Monday for three games, to be followed by Birmingham, scheduled for a like number. Then New Orleans and Mobile until Independence Day, when the Eiberfeld pack return for one battle.

Some idea of just how the tribe really stacks up will crop out in this period in their own ballwick. They left one week ago, running gright with the lead liorse. Now the second division.

The Young Jack Dempsey that meets Rey Eye Sanders is one of the cleverest and most promising youngsters in Dixle. He can turn most of the tricks and still have a something in reserve. Sanders will be making his professional debut but enjoys wide popularity as a slashing boxer.
